OLD TESTAMENT Bible Reading Plan

*Your word is a lamp to my feet
and a light to my path.
Psalm 119:105*

This reading plan is designed to help you read through the Old Testament in either one or two years. You can read both columns each day (either both at the same time or possibly one in the morning and one in the evening) to finish the Old Testament in one year or read only one column at a time to finish in two years.

Each month of the reading plan gives you only twenty-five readings. You can set aside Sundays or one day a week to either not read at all or to catch up on any readings you missed.
